CAFE VISIT

As part of our 4-Week Coffee Craft Course, students will get the opportunity to visit a specialty café to observe real-time café operations, interact with professional baristas, and understand workflow, equipment handling, customer interaction, and beverage service in a live setting. This visit bridges classroom learning with real-world insight, preparing students for industry-ready skills.

ROASTARY SESSION

Get introduced to the fascinating world of coffee roasting! This module covers the fundamentals of green coffee beans, roast levels (light, medium, dark), and the science behind the roasting process. Understand how temperature, time, and technique influence flavor profiles — giving you a foundational appreciation of what goes into every perfect cup.

PLACEMENT OPPORTUNITY

Get hands-on industry exposure after course completion with our placement assistance. Opportunities will be provided in Mumbai or Pune at reputed bakeries, cafes, or culinary establishments.

Certifications

you'll receive both an Institute Certificate and the prestigious THSC Government Certification (BARISTA EXECUTIVE), ensuring you gain industry-recognized qualifications. With an expert barista and skilled chefs on board, you'll be trained to the highest standards in both coffee brewing and patisserie, equipping you with the skills to excel in the culinary and café industry. Yes, examination is conducted
